ISLAND GREEN GENERAL COUNCIL MEETING APRIL 9th, 2021

Bill called the meeting to order. We had a quorum of 15 HOA's including proxies. Everyone was welcomed.

Bob Zeller was not present but the financial reports were in the packet. All seems well.

Some more paving was done by D. R. Horton. The fate of the Guard House is still in limbo.

It is up to the Developers on what happens to it.

There was a Protest at the front entrance on Monday April 5h, regarding the Development

Of I.G. A rare bird is nesting here so a land and trust company would like to have the building

Stopped. Several Residents also stated that a second entrance is needed. It was stated that

A second entrance went before the Planning Board earlier. The Developers were given all the

Permits to go ahead and build according to their plans. The Protest was broken up by HCPD

After Mr. Williamsen called them.

Carol spoke to Mr. Williamsen regarding a damaged flag pole. He stated that the potholes will be filled in the next few weeks. Summer of 2022 he will have some roadwork done. It was mentioned that the County will require a bond. His project is a four year plan. She also Stated she needs donations.

Ursula said the mower has been serviced and mowing is starting. She is out of money and needs donations from the HOAs and residents to keep up mowing.

The Rep from Golf Villas state he sent an email to Mr. Williamsen about a dead tree on the

Old golf course. Branches have fall off and it is in danger of falling and damaging a home.

Mr. Williamsen replies he would get back to him over the weekend. He is still waiting to hear.

The meeting was adjourned. Next meeting is schedules for May 14th.
