ISLAND GREEN GENERAL COUNCIL MEETING MAY 14, 2021

Bill called the meeting to order. We had a quorum of 15 HOA's including proxies. Everyone was welcomed.

The Secretary's report was accepted

Bob gave the financial report that was accepted. He said all HOA's are up to date on payments. The camera were rewired and are waiting for a new hard drive. We signed up

For maintenance twice a year. A gift card will be given to Danny for cold patch materials

With the money that is left as D.R. Horton seems to be patching when necessary.

Carol spoke to Bob Williamsen:

School buses: he noticed that kids were playing on the dirt mounds and running around while the bulldozers are working. He will speak to Lisa @ St. James school about this problem of dropping kids off at the old Club House. Since all roads are private in I.G. permission must be gotten from HOA's to ride on their roads

Street Lights on each side of Sunnahanna: Horry County Electric has to do some work so they turned them off.

Flag Pole: getting bids to submit to insurance company to replace

Sunnahanna Drive: the road is to be rebuilt in the summer of 2022 as required by Horry County. We expect all HOA'S to participate in the maintenance of the new road

Ursula said the mowing will be starting next week. The mower is full of gas and she has

Two cans of gas. When this runs out, she will stop cutting. She needs donations.

A long discussion on mail boxes, delivery of mail and packages, cluster boxes. All involved

HOA's are working on it. Any questions should be directed to the Management Company of
The HOA's

We have a Meeting scheduled for June 11th. We will let everyone know is it is still on due

To the closing of the Amenity Center on June 30th.
