

ISLAND GREEN GENERAL COUNCIL MEETING February 12th

Mary called the Meeting to order. We had a quorum and several visitors. The first time. Visitors were asked to introduce themselves.

As we had no Meeting in January there were no Notes.

The Treasurer's Report was given. He explained that one HOA is behind in their payments. He then handed out a Year End Report and explained it. The Potholes will be filled when the rain stops and the holes dry up.

Bob stated that Mr. Williamsen had contacted him to tell him the Building Project is beginning. They have already cut down trees and are clearing several golf holes. D.R. Horton is doing The Real Estate end for both Developers. Bob made contact with D.R. Horton and has a Rep whom he will stay in contact with.

A complaint was made that Security is not checking on complaints neighbors are making about someone smoking marijuana. It was stated that the HOA has no written reports from them. Bob has to talk with Andrew tonight and will discuss this with him. He will talk with the HOA President after speaking with Andrew.

Ursula will continue with the grass cutting. She is waiting to have mower serviced.

Carol spoke to Willimansen and will continue maintaining the front entrance.

The Meeting was adjourned. Next meeting MARCH 12th
