ISLAND GREEN GENERAL COUNCIL FEBRUARY 11th, 2022

Bill called the meeting to order with a packed room. Twenty HOA's were present.

Amendment to Notes from January 14th - The County requires that the Developer fix Sunnehanna after building Phase One. The County will not take over the road or make Repairs.

The Treasurer's report was given. One HOA is behind but they have a new Management Company. The "check" is in the mail.

Carol gave a history of the Front Entrance with Watts and Williamsen. She is taking care Of the front and can use donations.

Ursula than spoke about the mowing. She needs a place to store the mower. Two people Took her phone number. She also can use donations. A suggestion was made to have Two jars on the front table for donations at each Meeting.

Bill than spoke about the Security Team and what a good job they are doing.

A discussion followed on the "CSA" which would cover Security, Sunnehanna, lighting, drainage, and mowing. We are looking for a lawyer now but have not found one Yet. All HOA's will be requested to join in this matter.

A discussion followed with questions and answers. One Resident went to Conway to look up the records concerning Sunnehanna. He said he feels the Council is going in the right direction concerning Sunnehanna.

The Meeting was adjourned after this discussion.

The next meeting will be on MARCH 11TH AT 11:15 at the Arms Wide Open Church. The Council website is islandgreensecurity.com.
