

ISLAND GREEN GENERAL COUNCIL MEETING JANUARY 11<sup>TH</sup>, 2019

The meeting was called to order by Chairperson Bill Paul. We had a quorum of 16 Reps and Guests.

The Secretary's report was accepted as written.

The Treasurer's report was given, explained and approved

Board Member Julie reported that she is the contact person for Bob Williamsen. Any Questions and suggestions should be given to her. She stated that the potholes were filled. The building plans are to be submitted and he hopes to begin building in May or June. This Depends on approval from the County on all fronts. A long discussion followed on the road, Building and drainage.

Bob Murphy, a Chairman for many years has a medical situation. He is in Tideland Hospital For rehab. All our best wishes are being sent to him.

Carolyn and Bob Williamsen met with several people regarding the Club House. At this moment nothing else is known. Carolyn bought shrubs and landscaping materials for the Front entrance.

The Board will notify Residents of a Meeting with the Planning Board as soon as the date becomes known.

Meeting adjourned -- Next Meeting February 8th
